

VAN COMMUNITY OUTREACH

Making a difference in the lives of the youth and elderly of Liberia

SEASON'S GREETINGS!

We at VAN Community Outreach (VANCO) would like to thank you for your contribution(s) to our organization. With your support, we were able to take a very successful outreach trip to Liberia in February, 2020. We toured Grand Kru County and visited four key areas: Barclayville, Betu, Grandcess, and Sasstown.

During our trip, we were able to accomplish the following:

- 3,027 students were issued an assortment of school supplies
- 96 packs of chalk, 100 chalkboard erasers, and other school supplies were given to teachers
- Clothes, shoes, and four soccer balls were distributed to the, children, youth, and teachers at each of the four areas
- 72 bars of laundry soap were given to the elderly
- A cookout lunch was held for children, students, and elderly at each of the four areas visited; and...
- Medical supplies and \$100 cash towards hospital generator fuel were donated to the Rally Time Hospital, Grandcess

VANCO is excited to resume our outreach efforts in Grand Kru County this coming year. Our plan is to continue to assist the children, youth, and elderly by providing supplies to:

- 19 local schools
- 4371 students that are currently enrolled
- Over 100 teachers in the area
- 100 elderly; and...
- Rally Time Hospital, the only referral hospital in Grand Kru County

We appreciate your continued support and will keep you updated on these upcoming projects. A few of them are already underway! We are stronger when we come together to make a difference!

Happy Holidays!
